On Sept 07<sup>th</sup> 2014 between 9:00 and 10:00 a.m. I was assaulted by officer J. Ford.  
All because I asked to speak to the Lt. on a day of cell moves. Earlier that  
morning I asked officer Lagowski could I speak to the Lt. When officer Burdette and  
Harvey came later that morning I asked them the same thing, to be allowed to speak  
to the Lt. Burdette said "for what?" I explained that I had just moved a few days  
prior and officer Ball said that my 21 days started over. This move today would  
make my 4<sup>th</sup> move in two weeks. Harvey says, "If I have to go get the Lt. I'm  
committing you a shot for refusal." I said again, "I need to talk to the Lt."

## IV. Statement of Claim (continued):

So both of them left. I was being harassed with all these moves, NO OTHER inmate had been moved so much. Please check log books. So, Burdette and Harvey comes back with Lt. Phelps, off. James, Adkins, and J. Ford. Lt. Phelps says, "why are you refusing to cut up?" I said, "I did not refuse to cut up, I asked to speak to the Lt, and was never asked to cut up." Lt. Phelps said, "I'm giving you a direct order to cut up." I complied and was cut, then my cell-mate Marcus Miller. We both stood in the back of the cell. The door opens and officer J. Ford rushes in and tells me to come here. Aggressively slaps his right hand around the back of my neck and jacks me up squeezing my neck very hard. He then violently,

pushes me out of the cell with his hand around the back of my neck. "Inmates are to be backed out of the cells" while he is squeezing my neck violently, pushing me down the range. He says, "All you monkeys need to go back to Africa." I was in shock and afraid. I was placed in one of the barred strip cages, right across from the property room. Lt. Phelps and James came in the room as well. Lt. Phelps scolded me and I again told him that I never refused to cuff up, because I wasn't asked to. I started the conversation when they came to the door. So, I am being let out of the cage and J. Ford slaps the back of my head and says, "good boy." They all laugh.

I wrote a letter to Asst. Warden Swain about me being assaulted and asked her to please review the tapes from that morning. She said she would look into it. Little after week, I asked her did she review the tape. I received the same reply, "I'm looking into it." No results.

I notified my staff representative counselor Westcott after he reviewed the cameras he told the D.H.O. that "he didn't see any assault." I filed a sensitive BP-9 to Mid-Atlantic Regional. They said that, "this issue was not sensitive in nature and I raised too many issues." I wrote to the Inspector General and Director Samuel's office as well.

I tried to refile and make separate complaints, but my unit team will not give me any of the requested forms. They are all working together. Our mail is held a week to 3 weeks past the post-marked dates.

Continued Statement of Claim

(pg 9.)

(2nd) Issue:

As Collateral Damage and retaliation officer Bundette lies on me and writes me two bogus incident reports (307, 113) This happens the very same morning of me being assaulted by officer J. Ford. Because I didn't know it at the time I asked officer Bundette what was J. Ford's name. Bundette also saw me talking to S.I.S. Sweeney around lunch time the same day. Bundette knows me, he was camp one officer and I worked for him in the Barber Shop. He knows I will file a grievance. So, he decides to beat me to the punch and write me two. But did not include the fact that I had a roommate Marcus Miller and that he was accompanied by Hawley. He also conveniently left out the fact that there was 'use of force' used in his report.

The D.H.D. finds that the pills were in a constructive area and that Bundette should have written both inmates a shot. Bundette lies and says he found pills in a brown bag, ~~that~~ with commissary that had inmate Lutfi's name and regulation # on it. This is an obvious lie and shows his viciousness. Fact, there is no commissary purchased in the S.H.U. that comes with both inmates name and # on it. Not even, either or! This was his vicious attempt to frame me.

So, I appealed it to Mid-Atlantic Regional. To date, never received a response. Later wrote them a letter asking what was going on with my appeal? Still nothing! I wrote the Inspector General, still nothing.

To: Whom it May Concern,

On Sept 7<sup>th</sup> 2014 I documented these issues but I did not know whom to give it to. I was afraid of reprisal. But today, I spoke with another inmate and he suggested that I write to you. So...

On Sept 7<sup>th</sup> 2014 after breakfast officer Harvey turned on our cell light to let us know that we had to move. So, I waited a little while no-one came back. So, I pushed the button in the room. Officer Lagowski came. I asked him could I speak to the Lt.. He said, "in about 30 min's the Lt. will be here."

Lt. Phelps did come, but only to move the inmate out of 24 cell to 1 cell. Those cells are directly across from each other. Then they all left immediately, as I was yelling for the Lt..

Before I go any further, let me explain this... Staff have a 21 day move system, that they don't follow. Inmates are suppose to be moved every 21 days. Going back to Sept 7<sup>th</sup> 2014, a few days before, I was moved from cell 23 to cell 18. A few days after that move Officer Ball asked me if I mind moving to cell 22 with inmate Marcus Miller? I said, "if you all need me to." M. Miller and his then

bunkies McMillion were not getting along. So, they wanted me to move with Miller. I asked, "Now this starts my 21 days over?" Ball and the other officer both said, "yes." I want have to move again until then. I packed and was moved to 22 cell.

After a few days they wanted us to move again. Because Mr. Miller's 21 days was up, so I had to move with him. So, at this point I asked to see the Lt. Records will show that only myself have been moved around so much. It's harassment!

Now back to my issues... Lt. Phelps and crew leave after moving that guy "Mike" from 24 cell to 1 cell. Not long after that, officer Burdette followed by officer Harvey came to our cell door. I immediately ask Burdette "where is the Lt.?" He said, "what do you need the Lt. for?" I explained what Ball had told me and Harvey who was standing directly behind Burdette said, "If I have to go get the Lt. I am gonna write you a shot for refusal." I said, "I need to speak to the Lt." Then they both left.

Then Lt. Phelps came with officers J. Ford, Adkins, Burdette, Harvey, and James. Lt. Phelps asked me, "why am I refusing to cuff up?" I said, "I never refused, I just asked to speak to the Lt.!" So, he said, "I am giving you a direct order to cuff up." So, I turned around so he could cuff me. Next, my bunkie was cuffed Mr. Miller. And we were told to step to the back of the cell. They opened the door and officer J. Ford stepped into the cell and as I was turning around to give him my back, J. Ford violently slapped one of his hands around the back of my neck. So hard that he pushed me

into the wall. I almost fell down.

Not once did I ever resist. There was no need for "USE OF FORCE." He jacked me up with one hand around the back of my neck and the other hand on my arm. The cameras need to be reviewed from 6:30 a.m. until the time they took me out of the cell 9:45 a.m.. Inmates are suppose to be backed out of the cells. But if you review the cameras, you will see myself coming out of the cell first, from the front and before off. S. Ford. Because he was pushing me out the cell by my neck. After he roughly took me down the stairs. Officer J. Ford said to me, "all you monkeys need to go back to Africa."

I was taken to the holding room that has two cages in it. Right across from the property room. Off. James unlocked the cage and opened the barred door. Officer J. Ford violently pushed me into the cell into the back wall hitting my shoulder. Then he put both of his hands around my neck and squeezed. I thought that I was about to die. I almost urinated on myself. The whole time Lt. Phelps and officer James are laughing.

They close the door when he is done abusing me and Lt. Phelps gives me a little speech. Then he said, "Now are you gonna move or am I gonna have to put my foot up your ass?" I said, "YES SIR, I NEVER REFUSED TO MOVE." So ~~they~~ as they were letting me out of the cage.

written copy  
(4)

As I was backing out. Officer J. Ford slapped the back of my head real hard and said, "That's a good boy." They all just laughed and then took me to cell 19B.

I was in a state of shock, I didn't know what to do. I was just scared!

Remedy Sought: Officer J. Ford should be fired.

Ct. Phelps, Officer James need a months suspension without pay and for this incident to go into their penminant files.

2nd Issue  
 (Collateral Damage)  
 Later that morning of Sept. 7<sup>th</sup> 2014 right after 10:00 a.m. count. Officer Sweeney (SIS) came and asked me what I needed with Mrs Winbush? The previous day, I had told him that I need to speak with her. I told Sweeney that I need some BP 8 1/2" and 9's. He said, I need to get that from the unit team. I said, "because I want to report this officer putting his hands on me." At the same exact time officer Burdette, who was escorting an inmate. Stopped directly behind Sweeney and I said, "go ahead Burdette I am not talking to you." So he proceeded on. Then Sweeney said, "Just see your unit team."

Now either Burdette heard what I said, or Sweeney told him. Either way off. Burdette goes and tries to write me a shot. Because he knows that I am trying to write them up. But his lies won't hold up to the truth.

He wrote me a 307 and 113 serious shot. Burdette was senior officer that morning. And he does a lot of escorting inmates off the compound.

(Now how is this Senior officer not able to get the time correct to this alleged incident?)

... + 9:45 a.m.

(Note: After the cameras were reviewed by my Staff Rep. Westcott the time Braddock & Harvey came to do the mat was 09:25 a.m. 9:45 a.m. was the time Lt. Phelps & Company came.)

Cameras will show that he is lying. Also, no officer moves an inmate by himself. What about officer Harvey? And the fact that I had a roommate as well?

541.5 Discipline process. (4<sup>th</sup> paragraph) States description of incident should contain all facts known by the employee. The reporting employee also lists persons (staff, inmates, others) at the scene. And the report reflects any action taken, including "USE OF FORCE."

So, why is none of that information in the report?

Also, the description of the incident provides the inmate with specific evidence for which he/she may prepare a defense.

How can I prepare a defense if he does not follow policy?

Another lie he told, was that he said he found "a brown bag with commissary that had inmate Luff's name and Regulation number on it."

Now Sir, please contact commissary.

There is no items purchased in the S.H.U. that has inmates name, let alone registered # on it. None at all, that comes with both, Not even one!

So, you can see that he told a bold face lie and I am afraid of him. Because he is vicious, aint no telling what he may do. All the stuff that goes on here is truly shameful and out of control. I fear for my safety here. This letter is so detailed because that very day this happened I wrote all of it down.

Please get the film from that morning Sept. 7<sup>th</sup> 2014 and review it from that morning around 7:00 am until 9:45 am. You will see everything that I have said is exact. Thank You!

\*Note: You will also see Burdette stopping behind (BTS's) Sweeney trying to listen to what I was saying as he was escorting an inmate.

Remedy Sought: Officer Burdette needs to be fired because he is a lying, dishonest man. Whom cant be trusted.

## Part A- INMATE REQUEST

My reason for forwarding this complaint to you is, honestly, I don't feel safe here. I'm afraid, fear of reprisal. I've seen it many times & experienced it. It's especially come to blacks. Staff very bias, Caucasians get the better treatment here. Better jobs, better everything. There is no room for advancement for a black man here. You can just pick a few african american inmates at random. And they all will tell you the same. For example, somewhere around the beginning of this year. This white guy Cary stole all this black guys commissary. The black guy went to confront him about it and they end up fighting. As a result, the black guy got shipped and the white guy Cary was allowed to come back to the camp. Another example inmate Wesley who is black got jumped by his white bunkie. They fought and Wesley got shipped and the other guy was allowed to come back to the camp. Another incident was with Billy (white) who told this black guy with one leg in the P.V. room that this P.V. is for white people. So they fought, and Billy got to come back but the black guy got shipped. Also in the S.H.U. on 9-12-14 at 3:00 p.m. the Lt. gased DENNISON (black) who had been on a hunger strike for 4 days. DENNISON had passed out and medical was not called rather the Lt. About a month ago this white guy was on a hunger strike and passed out as well in the S.H.U. Medical was called for him immediately. But DENNISON who was unresponsive was gased and it was not filmed. Maybe you can ask for the records and you will see what is going on here at Beckley. They are violating G.O.P. policy and my constitutional rights. Specifically my due process.

Also, for a month now I've tried to get my unit team to fill out the "Certificate" they are mad at me for previous grievances filed against them. I've waited a month trying to get it done, but they will not do it.

( I have given you authority to receive any information needed from my account at this institution. )

( Note: I am awaiting transfer, so I will write you once I'm at my new address. No need to send me back anything here, not sure if I'll get it anyways. )

Thank You!!

( P.S. Enclosed are (3)  
different lawsuits )

Sincerely,
